Sir:

A Final Office Action was mailed May 5, 2004 for which a shortened statutory period of three months ending August 5, 2004 was set in which to respond, and for which the six month period ending November 5, 2004 was unintentionally permitted to expire. Applicants respectfully state that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR §1.137 was unintentional. Enclosed herewith is the following:

1. The required reply;
2. A request for continued examination (RCE); and
3. Authorization to charge the petition fee and the RCE fee to account
